There are times when I look in your eyes  
I see the love that we shared  
I see the joy inside  
But I didn't see the feelings you had  
And now you're saying goodbye  
Cous your love is dieing

And all I can think about is you  
The way you say you love me too  
And every time I close my eyes I see your face  
My love can never be erased  
And you can never be replaced  
Baby

Baby girl  
Why don't you come back to me?  
Why don't you love me anymore?  
Baby girl  
You know I still care for you  
You know I will love you forever more

Ooohhhhhh

There are times when I kiss you goodnight  
I feel the love that we shared  
I feel the joy inside  
But I didn't feel what you tried to hide  
And now you're saying goodbye  
Cous your feeling is dieing

And all I can think about is you  
The way you say you love me too  
And every time I close my eyes I see your face  
My love can never be erased  
And you can never be replaced  
Baby

(x2)Baby girl  
Why don't you come back to me?  
Why don't you love me anymore?  
Baby girl

You know I still care for you  
You know I will love you forever more

All I can think about is you  
The way you say you love me too  
And every time I close my eyes I see your face  
My love can never be erased  
And you can never be replaced  
Baby  
(x2) Baby girl  
Why don't you come back to me?  
Why don't you love me anymore?  
Baby girl  
You know I still care for you  
You know I will love you forever more

Oooooohhhhhh
