nah nah nuh nah nah

liar....

nah nuh nah nah nah, your your your busted

once upon a time i busted my brother with a friend of mine,
in fact i caught him out red-handed just last night
and to think that we never saw you guys together u
said dont sweat it
shes not a little sister, but now i caught u with her, uh
uh uh uh

at the movies, your busted
at the play ground, your busted
in my bed room, ooh ooh ooh
i caught you, you were nothing but a

liar liar, its all u ever mean to me
pants on fire, a mistake's is all u will be
nah nuh nah nah nah, i caught u out real good this time
nah nah nuh nah nah, your your your busted

once upon a time, happily ever after was my favourite
line
thought u were a man but now ur just a boy
cos u got the love and as far as it can turn is a one way
ticket
cos i dont really need ya, so now i can tell ya "cya", uh
uh uh uh
at the movies, your busted
at the play ground, your busted
in my bed room,
i caught you, you were nothing but a

liar liar, its all u ever meant to me
pants on fire, a mistake's all u will be
nah nuh nah nah nah, i caught u out real good this time
nah nah nuh nah nah, your your your busted

nah nah nuh nah nah your your

at the movies,
at the play ground, your busted
in my bed room,
i caught you, you were nothing but a

liar liar,
pants on fire,
nah nuh nah nah nah,
nah nuh nah nah nah

liar liar, its all u'll ever mean to me
pants on fire, a mistake's all u will be
nah nuh nah nah nah, i caught u out real good this time
nah nuh nah nah nah, your your your busted (x2)

liar

your your your busted
