I woke up with your name on my lips
I woke up with your lips on my imagination
I woke up with your name on my lips
I woke up with your lips on my imagination
Did you wake up with my name on your lips
Or am I all alone in this infatuation?
Jackie when you're touching my soul in the candlelight
(Oh Jackie)
Jackie when I lost control in the heat of the night
Jak Jak Jackie
Can't get you off my mind
I woke up thinking it was you
But I was all alone
Alone in a room
Did the same thing happen to you?
If you feel what I feel I don't know what I do
Jackie when you're touching my soul in the candlelight
(Oh Jackie)
Jackie when I lost control in the heat of the night
Jak Jak Jackie
Say you, Say you feel the same
Can't get you off my mind
I didn't know love could feel this good
I never let anyone inside
I pushed and shoved
I fought back the love,
But with Jackie I've got nothing to hide
Jackie when you're touching my soul in the candlelight
(Oh Jackie)
Jackie when I lost control in the heat of the night
Jak Jak Jackie
Say you, Say you feel the same
Can't get you off my mind
Jackie when you're touching my soul in the candlelight
(Oh Jackie)
Jackie when I lost control in the heat of the night
Jak Jak Jackie
Say you, Say you feel the same
Can't get you off my mind
Jackie when you're touching my soul in the candlelight
