If you've got secrets then tell us we can throw them all away

if you've got secrets then tell us swear to god that we won't say let lying dogs lie when fear becomes a pleasure the pressure puts the weight on no one else's back remember never admit it it's a simple case of fitting fantasy into fact

oh what a shame can't give a new name

if you woke up this morning found that all the clocks had stopped if you woke up this morning then you're halfway to the top keep climbing up up thank your mother or whomever now put your hands together for a brighter day heavy rocks in your pocket just drop it fill the pit now give it a new name oh no more shame give it a new name
