So tense  
So dull  
Is life given to  
The two steps  
Behind  
Crossing the line

Watch me fade  
Fade away  
Fall apart  
Right by your side  
You're loosing me  
I will not  
Hold on one  
Second more  
I'll turn to rust  
so sand me off

Intrude  
Erupt  
That is your tool

Watch me fade  
Fade away  
Fall apart  
Right by your side  
You're loosing me  
I won't keep  
Holding on  
With no faith  
I'll turn to sand  
and call for wind

Precautions blacklisted  
By something inside  
Salvation stores freedom  
So why would I hide  
You needed this so I'm out of here  
'cause I don't want you to lie no more  
I'm through with your file you're using it  
just for the hell of it but it does hurt  
You lied again

You're doing it too often
