Clap your hands, come on clap your hands..  
I'm feeling you, feeling you.  
Girl it feels so good when I'm with you hey hey  
Makes my mind a loopy loop  
Oh no ain't nobody as fine as you as fine as you no  
Girl so sassy baby and also classy baby  
You got me actin' so crazy crazy.  
See my reactions baby I can't relax baby  
A helpless fool is all I am for you and only you  
I'm fallin' in love and that's cool  
Cause baby girl it feels so good when I'm with you hey  
hey  
Makes my mind a loopy loop  
Oh no ain't nobody as fine as fine as you no  
Girl you're so witty baby  
It makes me feel giddy baby  
I seem to lose control of my emotions  
Whenever you're near, girl you've got to know  
That I really care for you, and only you  
I'm fallin' in love and that's cool cool cool  
Girl it feels so good when I'm with you hey hey  
Makes my mind a loopy loop  
Oh no ain't nobody as fine as fine as you no  
Clap your hands, come on clap your hands  
I'm feeling you, feeling you.  
Baby we can make it, it feels so good  
I can't take it take it take it  
You make me wanna just shake it shake it shake it  
I can't fake it  
I'm in love with you in love with you  
Feels so good when I'm with you hey hey  
Makes my mind a loopy loop oh no ain't nobody as  
fine as fine as you no  
Feels so good when I'm with you hey hey  
Makes my mind a loopy loop oh no ain't nobody as  
fine as fine as you no
