Cuckoo x 4

Ten silver spoons coming after me,
One life with one dream on repeat,
I'll escape if I try hard enough,
'Til king of the jungle calls my bluff

Oh Lord, oh Lord,
I have been told, I have been told,
That I must take, the unforsaken road,
Unforsaken road
There's a fork in the road,
I do as I am told

And I don't know, don't know, don't know, don't know
Whoo-ooo-ooo-oo I wanna be
Cuckoo x 4

You say Y-E-S to everything,
Will that guarantee you a win?
Do you think you will be good enough,
To love a dozen to be loved?

Oh Lord, oh Lord,
Now I can see, now I can see,
The cutlery will keep on chasing me

There's a fork in the road,
I do as I am told
And I don't know, don't know, don't know, don't know,
Whoo-ooo-ooo-oo, I wanna be

We are the spoons metally mean,
We scooped our way into your dreams
To knock the knives out bloody cold
And lead you down the unforsaken road

I need you down the unforsaken road,
Unforsaken road,
There's a fork in the road,
I do as I am told,

And I don't know know know,
Ooh ooh-ooh ooh ooh, I wanna be

Cuckoo x 4
