Wait till I get home to that sweet, sweet lovin'
Gonna get your love, gonna get it, just wait till I get home
Wait till I get home to that sweet, sweet lovin'
Your gonna get you love, gonna get it.
Girl I want to shower you with my love, yeah baby just wait till I get home.
Once I get you in my arms, you'll never get enough.
I need your huggin' and your kissin', baby you are the one I've been missing.
Ohh, When I get home I'm gonna do you good, treat you like a real man should.
When I get home.
Wait till I get home to that sweet, sweet lovin'
Gonna get your love, gonna get it, just wait till I get home
Wait till I get home to that sweet, sweet lovin'
Your gonna get you love, gonna get it. (Bring it on home daddy)
Anything you want baby I will do for you you you (anything you want baby) just wait till I get home.
When it's time for makin' love
We'll rock the whole night through
All I want to do.(that's right)
Baby, I need your love and affection, yeah
Get things movin' in the right direction, Huh-oh.
Six O'clock Time to make love.
Nine O'clock take a lil breather, I just can't wait.
Damn I can't wait to see her. When I get home.
Wait till I get home to that sweet, sweet lovin' ooh baby.
gonna get it,
Soon as I get home.
Wait till I get home to that sweet, sweet lovin'
I give good love, gonna get it.
Wait till I get home.
Wait till I get home, gonna love you all night long
And you'll never be alone.
Just wait till I get home, Wait till I get home.
Wait till I get home, gonna love you all night long
Gonna move your body, gonna move your body,
Gonna feel it all night long. yeah-oooh

Just wait till I get home, gonna get your love
There's no one above you
