Another love triangle, got me undecided  
I need to know what is gonna be cause  
I can't take it no more  
Tell me what it is he do  
That keeps you around!  
Is he better, is he love you better?  
If so, let me know  
Cause I won't be number two!  
Damn!

Chorus:

You say your world is incomplete without me  
But I won't let your words erase what I see  
Oh, I figure you should do it then  
While the sun ain't..  
Seems a better world with him,  
So I'll go, I'mma make it easy, easy!  
A disappointment ..  
So leave it all right here  
There's no point for us wasting time  
So I'll make it easy

Easy for you, girl  
No need for us to take it there  
Cause I can see that it's not fair  
I had enough, you are too caught up in your feelings  
And your feelings keep changing.

Chorus:

You say your world is incomplete without me  
But I won't let your words erase what I see  
Oh, I figure you should do it then  
While the sun ain't..  
Seems a better world with him,  
So I'll go, I'mma make it easy, easy!  
A disappointment, ..  
So leave it all right here  
There's no point for us wasting time  
So I'll make it easy

I'm not gonna hold you here any longer

I'm not gonna cry no tears over you!  
Cause you got what you want, what you want  
And what you need, in another man!  
I'll make it easy!

Chorus:

You say your world is incomplete without me  
But I won't let your words erase what I see  
Oh, I figure you should do it then  
While the sun ain't...  
Seems a better world with him,  
So I'll go, I'mma make it easy, easy!  
A disappointment, ..  
So leave it all right here  
There's no point for us wasting time  
So I'll make it easy  
Easy for you girl, easy for you, girl!
