Featuring Q-Unique & Deborah Cooper

Yeah, turn it up
Yeah, turn it up
Yeah, turn it up...

T-turn it up, t-turn it up
T-turn it up, t-turn it up

Dance til you can't dance
Dance til you can't dance
Dance til you can't dance
Dance til you can't dance no more

Dance til you can't dance
Dance til you can't dance
Dance til you can't dance
Dance til you can't dance no more

It's the swing time
To bring forth the rhyme
That's designed to put you
In a hip-hop state of mind

Intro, I'll disperse the verse
That'll make you move
To a C and C groove

True indeed
Some believe the brothers
Can you swing it hard core
Strictly for the dance floor

Not the stereo type
Get the crowd hype
It's 1992
And hard core is the type
And a rum-a-num-a-num

Take a seat as I take my stand
And fasten your seat belt

Cause I'm about to crash land

Into a dope rhyme
Not the type of style
That I be flexing on a regular
Kicks the rap amplified
Category executor

Mentally, physically
Lyrically, it's gotta be
Stunning, I'll make you move
So what you wanna do is

Hip-hop non-stop
(Keep it coming)
Take it the the top
(Keep it coming) on and on
(Keep it coming)
Keep it going til the break of dawn
(Go, go, go)

Hip-hop non-stop
(Keep it coming)
Pump it up
(Keep it coming)
(Keep it coming) on and on
(Keep it coming)
Keep it going til the break of dawn
(Go, go, go)

Feel the fury of a one of a kind
Any rhyme I say, A-okay
That was a dope rhyme (bam)
Change the pace of the flow
Yo, be smooth is the rhythm

This is what you get
This is what I'm giving up, down
Get down to the funky sound
(Here come the funky now) yo

Rhyming off beat is too unique
Snatching up your girlfriend
Cause I dip her sweet soul

Shake, shake, shake
Your groove thing
As I pick up the mike
And make the crowd swing

Well, waddaya know

Kids want total control
Hey, yo, leggo my Eggo

Keep it coming (keep it coming)
Keep it coming, y'all (keep it coming)
Dance til you can't dance
Til you can't dance no more

Keep it coming (keep it coming)
Keep it coming, y'all (keep it coming)
Dance til you just can't dance

Keep it coming
Keep it coming, y'all
Dance til you can't dance
Til you can't dance no more

Keep it coming (keep it coming)
Keep it coming, y'all (keep it coming)
Dance til you just can't dance

Hip-hop non-stop
(Keep it coming)
Take it the the top
(Keep it coming) on and on
(Keep it coming)
Keep it going til the break of dawn
(Go, go, go)

Hip-hop non-stop
(Keep it coming)
Pump it up
(Keep it coming)
(Keep it coming) on and on
(Keep it coming)
Keep it going til the break of dawn
(Go, go, go)

? slam, in case you didn't
See me, here I am
Trash it, industry
Nothing like a jackal
? I have my tackle
A snap, a crackle, a pop

Cause the note
You know it's mine
Rate, rate, overweight
Come back another day, nuff said

Here I go, here I go, here I go

Grab me up, I'm gonna flow
I'm gonna flow

Do you need me for the beat
Like a float with no delaying
Rocking the microphone
From the P.M. til the A.M.

Libbitty-dibbitty-dee
Did you catch what I was saying
Me neither, I just wanted
To catch a quick breather

Well, closing, kaput
Completed, finito
I'm coming so, yo
Keep it coming

Keep it coming (keep it coming)
Keep it coming, y'all (keep it coming)
Dance til you can't dance
Til you can't dance no more

Keep it coming (keep it coming)
Keep it coming, y'all (keep it coming)
Dance til you just can't dance

Keep it coming (keep it coming)
Keep it coming, y'all (keep it coming)
Dance til you can't dance
Til you can't dance no more

Keep it coming (keep it coming)
Keep it coming, y'all (keep it coming)
Dance til you just can't dance

Hip-hop non-stop
(Keep it coming)
Take it the the top
(Keep it coming) on and on
(Keep it coming)
Keep it going til the break of dawn
(Go, go, go)

Hip-hop non-stop
(Keep it coming)
Pump it up
(Keep it coming)
(Keep it coming) on and on
(Keep it coming)
Keep it going til the break of dawn

(Go, go, go)

Dance til you can't dance
Dance til you can't dance
Dance til you can't dance
Dance til you can't dance no more

Dance til you can't dance
Dance til you can't dance
Dance til you can't dance
Dance til you can't dance no more

Dance til you can't dance
Til you can't dance
Dance til you can't dance
Til you can't dance
Dance til you can't dance
Til you can't dance...

Dance til you can't dance no more
