Swanging on 4's, shining up the 4's you know I'm
saying
Pinky rings piece and chains baby, this how we do it
down South

[Hook]

Piece and chain, diamond rings (love it mayn)
Gripping grain, doing your thang (love it mayn)
And if you swanging on them thangs, (love it mayn)
All my niggaz say (love it mayn), all my bitches say

[C-Note]

Love it mayn up on my shirt, I love it when I put in work
Make it twerk or make it jerk, I'll show ya how I go
bizzerk
I'm trying to see ya shake some'ing, girl you bout to
break some'ing
Make me wanna take some'ing, fuck around and create
some'ing
Feeling real good all through the hood, lean in the cup
got to come up
Down South we blowing up, down South we showing up
Slip and slide got the buck hide, four t.v.'s off in my
ride
Two t.v.'s off in my vis', see which side I'm
platinumized
Line em up off in a line, call my dentist get my teeth
shined
Sign em up got to resign, all my bumpers got to recline
I'ma come up on another level, mashing on a Benzo
gas pedal
Cappers get your shit together, rappers get your hit

together

And you can shine just like me, and you can rhyme just like C

S.U.C. and the E.S.D., know who it be down Botany

Say my name like you do in vein, like Po-Yo mayn we off the chain

Showing the world how we gripping grain, I cant explain we love it mayn

[Hook]

[H.A.W.K.]

Love it mayn wanna dub it mayn, on the microphone I bring the pain

Shouldn't of let me off the chain, this how I spell my name

H-A-W-K, ladies love the shit I say

Put it in the hole like Dr. J, cross you up like Hardaway
Smoke fresh cheeva that on my limbs, use synonyms and antonyms

Write em down polish them, tracks I'm on I demolish them

Got mo' chips then Pringles, the song I'm on a single

I can spit it bilingual, and make your body tingle

Flossing in the Range Ro', wide frame fo' do'

Fat sack of hydro, rolled in an optimoe

I unclog the smog, with my southern dialogue

Digital or analog, I bite the mic like a bulldog

I boss hogg in a Lexus, lane to lane driving wreckless

Princess cuts up in my necklace, love it mayn this

Houston Texas

I'ma squash the plex with Note and E, put it down for P-A-T

I represent the S.U.C., till the day I D-I-E love it

[Hook]

[E.S.G.]

Me and Big H.A.W.K. we gangsta walk, everytime I talk I'm blinging G

See my teeth you see C-Note's, Escalades we pulling boats

Love it mayn we thugging mayn, been hustling mayn fuck the folks

Smoke endo till my throat hurt, big fo' do' sitting low on skirts

Swang and swerve I'm sipping syrup, burn a hole in the Icerberg shirt

Me and Will-Lean we killa team, chrome 19's on the Houston scene

Pulling up platinum trucks, fifteen inch computer
screen
Sipping coedine just like it legal, riding around with a
desert eagle
Screwed Up Click we drop them hits, just like them
bricks fuck the people
Southside nigga be piling stacks, watch how fucking
wild we act
Give me the track and I'll crack the dat, new Cadillac I

Rap it fast screw it later, piece and gator you's a playa
Give me the mic and watch me blow, whoa like a tuba
