Is really really nice to met you babe  
cause I like your features  
I really want get to know you baby  
please be the teacher  
do all the thing you like  
I know I am ready  
if I ever get the chance to be your man  
it would be when you let me

what's your name  
what's your number  
when is it a good time to call you  
make it sooner  
may be later  
I might have somewhere to take you  
.. in the movie  
take a dip into my jacuzzi  
I just like to be up front  
cause I know exactly what I want  
you know what I wanna do  
I know what you wanna do so  
tell me why are we going through the motions  
if you know how far I want it  
.. you don't want to take it slow  
tell me why are we going through the motions

what's your name  
what's your number  
when is it a good time to call you  
make it sooner  
may be later  
I might have somewhere to take you  
.. in the movie  
take a dip into my jacuzzi  
I just like to be up front  
cause I know exactly what I want  
you know what I wanna do  
I know what you wanna do so  
tell me why are we going through the motions  
if you know how far I want it  
.. you don't want to take it slow

tell me why are we going through the motions

you know what I wanna do

I know what you wanna do so

tell me why are we going through the motions

if you know how far I want it

.. you don't want to take it slow

tell me why are we going through the motions

Thanks to feel
