So often
I wonder why
You won't tell me about your feelings inside
Hey baby
What's on your mind?
Hey honey
You're running out of time

When I'm all alone
I can hear your voice
Crying out to me
I can see, I can hear, I can feel
And I know that you belong to me
(I can tell by the way)
I can tell by the way
It's the words that you say that you can talk to me
(Just open up your heart)
Just open up your heart and tell me everything you
need

So often
I see you cry
I'll be the one to wipe the tears from your eyes
(Wipe the tears from your eyes)
Hey baby
Will you be mine? (Oh baby)
We'll make it last until the end of time

When I'm all alone
I can hear your voice
Crying out to me
I can see, I can hear, I can feel
And I know that you belong to me

When I'm all alone
I can hear your voice
Crying out to me
I can tell by the way
It's the words that you say that you can talk to me (Girl)

Hey pretty love

Why don't you tell me what you need
No, I would never let you down
Baby you can count on me
And I hope you'll realize
That girl, I'll wipe the tears from your eyes
I just can't stand to see you cry (Oh, oh, ohhh baby)

So often
I see you cry (I see you cry)

When I'm all alone
I can hear your voice
Crying out to me
I can see, I can hear, I can feel
And I know that you belong to me
I can tell by the way
It's the words that you say that you can talk to me

So often
I see you cry
