Oh, yeah, baby, ha-ha-ha (Yeah)
C Note's comin' home, girl, yeah (Ooh, ooh, ooh)
Can you feel me
'Cause I'm sure to feel you, girl (Ooh), yeah

Uh
Yeah

Wait till I get home to that sweet, sweet lovin'
(Gonna get your love)
Gonna get it (Just wait till I get home)
Wait till I get home to that sweet, sweet lovin'
(You're gonna get good love)
Gonna get it

Girl, I want to shower you with my love
Yeah, baby, just wait till I get home
Once I get you in my arms
You'll never get enough

I need your huggin' and your kissin'
Baby, you are the one I've been missin'
Ooh, when I get home gonna do you, girl
Treat you like a real man should when I get home

Wait till I get home to that sweet, sweet lovin'
(You're gonna get your love, huh)
Gonna get it (Wait till I get home)
Wait till I get home to that sweet, sweet lovin'
(You're gonna get your love)
Gonna get it

[Bring it on home daddy]

Anything you want, baby, I will do for you-you
{Whatever you want}
Just wait till I get home
When it's time for makin' love, we'll rock the whole
night through
All I wanna do {That's right}

Baby, I need your love and affection, yeah

Get things movin' in the right direction, oh, ho

[Six o'clock] Time to make love

[Nine o'clock] Take a little breather

[I just can't wait] Damn, I can't wait to see her when I get home

Wait till I get home to that sweet, sweet lovin' (Oh, baby)

Gonna get it {Yeah, as soon as I get home} (I wanna let you know, baby)

Wait till I get home to that sweet, sweet lovin' (I'll give good love)

Gonna get it (Just wait till I get home)

Home, wait till I get home

I'm gonna love you all night long and you'll never be alone

Just wait till I get home {Wait till I get home}

Just wait till I get home {Wait till I get home}

[Bring it on home daddy]

Wait till I get home (Wait till I get home) to that sweet, sweet lovin' (I'm gonna love you all night long)

Gonna get it (I'm gonna move your body) {I'm gonna

move your body} (I'm gonna feel it all night long)

Wait till I get home to that sweet, sweet lovin' (Oh, pretty baby)

Gonna get it (Don't you know) {Just wait till I get home}

Wait till I get home (Wait till I get home) to that sweet, sweet lovin' (Love you all night long)

Gonna get it, just wait till I get

Wait till I get home (I'm gonna get your love) to that sweet, sweet lovin' (There's no one above you)

Gonna get it
