[Intro: Yea, 621 family's own C-Billz]

I'm always strapped, I got my joc on,  
Stupid niggaz get cracked like a locked phone  
If I'm wrong, somebody please tell me that  
I'm jus a mad black man, no tyler perry act  
I hop in da whip, chrome feet cherry black  
Lookin like betty bop in it from tha back  
Shawty lookin freaky, I say watz ya name  
Call ya friend to come have fun with both dick an jane  
If knew her head game, yea it's so insane  
She got shit dissappearin like a david blane  
I'm a dog, my swag jus off da chain  
I got the silver surfer, swag surf in on my chain  
Come try me out, and see how pain feel  
I carry propane flame like I'm hank hill  
Yeeaa... howie mandel this aint no deal
