C-Billz baby ok, I'm goin in

YEA SHAWTY, SITTIN HIGH LIKE FACE LIFTS  
CHROME paint on da whip lookin like a space ship  
Where my countdown cause I'm bout ta blast off  
The shyt tha I'm spittin 'll leave ya stinkin like ya last  
lost  
J's on my feet same color as the white sox  
What you got to say boy I'm fresha than a crack rock  
My flow got a nigga on demand like comcast  
So far I bet u could'nt find it with a compass  
The boy C-Billz got bank like chase  
Different color diamonds on me you couldn't tell my  
race  
Weak rappers need to cut it, like the hair on my face  
Ya know I'm running this game you can't stay at my  
pace  
The gold grill in my mouth got my teeth feeling stupid  
cold  
I got money coming daily, I'm somethin like a human  
toll

[Talking: C-Billz]

Yea man, once again, C-Billz the "teen of G.I."
