Ahh, dis song goes out to all my 601 ballers out there.  
This rite here is dat Jacktown hood anthem. So all my  
folk in dat 601 turn it up, stand up and get ready 2 tear  
da club up!!!

[Verse 1]

My name is C-Bone and I'm from dat 601  
Da hottest rapper livin dat's up under da sun  
I rep where I'm from and I rep where I stay  
And if you roll down here, mayne dez boyz play  
Cuz we bout da cash and we bout dat dough  
When we got a straight mil, we out da do' out 4 mo  
We stay iced out and we stay wit dem mugs  
If mess wit one of us, you'll catch a million slugs  
If you ain't know, I'm from dat South Side  
And best believe everybody in my click gone ride or die  
So all my playerz around da world, da message has  
been sent  
Cuz dat whole 601 iz finna represent

[Chorus 2x]

All my ballers stand up da message has been sent  
Tell da whole dat da 601 gone represent  
To all dem posers round da glode, y'all niggaz got us  
bent  
Best believe dem 601 boyz gone represent

[Verse 2]

We half we through da song I'm almost through  
But not before I let da world know dat Jackson's comin  
through  
My homeboy CEO wuz gonna be on dis track  
But my patnah Lil Chris finna bring da beat back  
I'm tryna start no beef but I will if you try me  
And best believe I'm gone have da whole hood behind  
and beside me  
I got da hot heat dat'z gone melt yo face  
If you messin around I'm gone have to give yo click a  
taste  
Of dat still in my trunk dat can take out an army  
Even if I'm by myself, nigga you still can't harm me  
Cuz I got da beast in me and together we are 1

So I need all dem ballers to represent 4 dat 601

[Chorus 2x]

All my ballers stand up da message has been sent

Tell da whole dat da 601 gone represent

To all dem posers round da glode, y'all niggaz got us  
bent

Best believe dem 601 boyz gone represent
