Say Magic Slim bro nigga  
We gotta go ahead and close that  
Little quarter shop we got on Broad  
Fuck them niggas watchin' us, bro  
We gotta lay low nigga, fuck

I'm closin' down shop so clientel stops  
Knockin' at my door, fuck no  
I don't have no more delays not bein' sold  
'Cause it's too hot plus I'm on parole

I'm closin' down shop so clientel stops  
Knockin' at my door, fuck no  
I don't have no more delays not bein' sold  
'Cause it's too hot plus I'm on parole

It's twelve in the noon, I'm just wakin' up from a flight  
Hicks been knockin' at my door all goddamn night  
And my hoe she busted talkin' about she tired of that  
Deep and down tell her 'bout how much paper we be  
stackin'  
'Cause they run from that smack and that shit I got raw  
Don't ya be a dog, this delay might bust your heart  
And the niggas that I get it from supplies the city  
They got other niggas with it but they bags be shitty  
'Cause they tryin' to put too much cut on the dope  
To make a little ends but the only person scorin' is they  
friends

They got twenty dollar bags they got ten  
But now you going, let your boy move all the ends  
Now see my clients, they know what the fuck they be  
buyin'  
They be comin', shop be closed and they still be runnin'  
Makin' my shop high and they might come kick it in my  
spot  
But I got my shit got 'cause I ain't about doin' no more  
time  
You got on them bullet proof vests I got on mines  
Bullets be flyin', flyin'

I'm closin' down shop so clientel stops

Knockin' at my door, fuck no  
I don't have no more delays not bein' sold  
'Cause it's too hot plus I'm on parole

I'm closin' down shop 'cause my clientels gettin' too big  
I got these laws on my balls and they sweatin' my shit  
Dope fiends knockin' at my door, they got my spot too hot  
These suckas runnin' on my colors on my quarter shop  
Two baby mommas, four kids, three mack elevens  
Three cars, about thirteen boo boo's

I'm just a ghetto superstar on parole  
Convicted felon known for 187's and 211's  
A young nigga down to do whatever  
First and fifteenth checks fix blowin' up my beeper  
BooKoo pages new credit, my shit is cut up and ready  
I'm on top never drop, pushin' keys that rock  
But I gotta close shop 'cause my spots too hot

I'm closin' down shop so clientel stops  
Knockin' at my door, fuck no  
I don't have no more delays not bein' sold  
'Cause it's too hot plus I'm on parole

I'm closin' down shop so clientel stops  
Knockin' at my door, fuck no  
I don't have no more delays not bein' sold  
'Cause it's too hot plus I'm on parole  
I'm closin' down shop

Bitches tryin' to catch the wrong niggas, now tell the truth  
You ain't hear we came in strapped nigga, react nigga  
Watch for me you don't wanna see me last, keep talkin' trash  
I'm gonna be the one behind the mask, blastin' at your pussy ass  
What? Boy, you disrespect my click, you stupid bitch  
I'm about to jump off in your shit  
I rumble in the jungle with the fiercest peice alive  
Climb the biggest mountain with the highest peaks it high

Spoon the biggest ocean with the biggest pocket fish  
If I ever hear you speak these filthy words again  
I told you mutherfuckers I was comin'  
(What?)  
I roll with tight mutherfuckers, stop runnin'  
(Laugh, gun cock)  
Don't move a fuckin' muscle got no time for no wrestlin'

Got no time for no tustlin'  
Shut it down
