[C-Murder]

You better duck an run when you hear the tank comin'
through,
In a show or at a store near you
When you hear No Limit Soldier or Bout It Bout
It my tank dawgs bout to get this muthafucka rowdy
Them hoes bounce that ass in the front line
An my thugs be throwin up gang signs
And all they talk about is break 'em off somethin'
Rolled an start fightin' 'til the muthafuckin' place close
Po-Po's mad
I'm smokin' weed on stage crowds gettin' smashed by
the barricades
Red and Blue be muggin' on both side
Third-Ward niggas talkin' bout takin' out sides
And them muthafuckin' GD's
They got them Uzi's
And they be bang like them niggas in the movies
Huh, you can come to my show for fun nigga
But be prepared to Duck & Run nigga....

[C-Murder]

Duck an run (better duck and run nigga)
Duck an run (better duck and run nigga)
Duck an run (said duck and run nigga)
Duck an run (duck an run, duck and run)

[C-Murder]

You can put me in the muthafuckin' Rap Hall of Fame
'cause I got ever ghetto nigga callin' my name
Fuck main-stream fool
I keep it real

My record sales keep me paid just like Bill
He jump street day now I gotta come and get yah
Lay it down and everybody that's with yah
I make money off the muthafuckin' public
Double-platinum...an lovin' every minute of it
I celebrate with crystyle an alizae
And doing almost every other day
40 G's a whop, it don't stop
I'm off the streets
Now I aint gotta sell rocks
But the game aint changed
The ghetto blood in my veins
You could tell...by my muthafuckin' name
I'm used to bangin' fool for fun
I'm chill but still make you Duck & Run nigga...

[C-Murder]
