Y'all muthafuckers know what I mean out there

I cop a Benz at the age of twenty one, nigga
I fuck hoes and smoke weed for fun nigga
From the streets to the muthafuckin' record stores
And sell a million discs at blockbuster videos

Bitches formin' lines at my concerts
Them thug niggas sell drugs off my inserts
A eight figure nigga gettin' bigger
I wear No Limit gear nigga so fuck Tommy Hilfiger

And renegotiate my court case, fuck a plea
And call Cochran there's a million on legal fees
Charge it to the game, that's what Silkk said
My name ringin' like the muthafuckin flu spread

Give me a shot 'cause I'm sick wid it
(Sick wid it)
The tank on the back, the ghetto niggas gotta get it
I make money so fuck all them haters with the mean

All at once was deserveing me
Got the homies on East Side serving me

Yeah, we do what gangstas do, me make them

And I surround myself with only gangsta niggas
We be on the streets in the gray or blue on the smash
Dippin' on the look off of crack

My homies got a couple birds locked up in the stash
Snitches spreadin' through the hood like rash
Be like me and do with it off
And you could be a ghetto millionaire like me and my
doggs

We don't take it away quash
Especially fuckin' around with a bitch

Shot gun blasts are heard
When I rip, dip, flip, slip and swerve
Through the hood in the muthafucking drop top thangs
I'm bangin' G Thang once again

My clip, my glock, I click it, I cock it
Got my heat in my pocket, I blast like a rocket
It's like a gang bang movie say up jump the boogie
While you moving from the side of my heat

I'm never too big to say hello in the ghetto
Niggas spit hot metal, keep your foot on the pedal
I'm from the East Side of the LBC
Where the bitches quick to set a young nigga up baby

Never let a bitch play you
From the streets to the sweets make that bitch pay you
And obey you, who said the game was fair
Get your hustle on nigga and become the next ghetto
millionaire

Ghetto, hustling all my life, ghetto, droppin' the fool my
pay
Ghetto, hustling all my life, ghetto, droppin' the fool my
pay
Ghetto, hustling all my life, ghetto, droppin' the fool my
