(Silkk Tha Shocker)

Money talk and uhh cash rules

I bout to get dollars so us act a fool, now

What huh, what huh, what huh, what, yo, yo, yo, yo

(Silkk Tha Shocker)

Verse: 1

I use to flip birds, now I just flip words

When cops come to get me,

it's because some shit that they heard

Like I'm out to get dough

Like I'm out to get mo

Hacking like 6 to the 4

Like 6 double 0, like

Four, or either two doors

Money no like C to the E O

Oh I forgot like ju don't know

Like I'm out to get cream

Like fiend I just don't fuck around

Just bust around

Till niggas get the fuck out of town

I wanted the house, so I got the house

I wanted the car, so I got me the car

Don't start, cause no heart is what got me this far

I the type of nigga that don't give a fuck

Just walked up and laughed at the cop

Type of nigga to go up in traffic

and start blastin the glock

Rap's still down, C huh, pass me the rocks

I don't be playing it serious

I'm actually looked after he shot

It's no love, for y'all 16 bullets

Four slugs peace, ain't no bigger thugs than me and C

So you got the mightious touch,

for all the records you sold

Like nope, mad fuck em got touch nigga, just went gold

I'm like a drug dealer,

I hold nothing less than a quarter

This is my last. last year I was just testing the water

Five to the 0 4 nigga, yo that's my hood

Any fool gotta make this much  
I just that good

Money talk and uhh cash rules  
I bout to get dollars so us act a fool, now  
Get money, make money, get money,  
get money, make money, get money, make money

(C-Murder)  
Verse: 2

Money, money make the world spin like tops  
and two glocks for the motherfuckers we suing my  
rocks  
It's like the movies,

niggas using uzi's wishing for peace  
But instead they ducking bullets and the niggas that  
pull it  
You reconsidered, cause I'm bitter,  
dumping weapons like litter  
After I blast you motherfuckers,  
and the niggas that with ya (fool)  
A come up is a come up  
Haters please don't run up  
Or get done up at sun up, cause I never put my gun up  
(nigga)  
Cash rules, it's like possessing my mind  
I do a crime and did the time, still hustling for mind  
A bitch gotta floss, and I gotta be the boss  
Fake niggas getting tossed, cause money talks

(Fiend)  
Verse: 3

Well I'm that whompter, Fiendy, want fetachini  
cabbage to the collard greeny  
Shocker clean, he se me rockin up my dream as genies  
Wanna cream me, so I had to join his tightest teamy

No such terms as let me when we all got plenty  
Walking em skinny, cause I never over-looked a penny  
Money talks, my whomps, whomps  
The ATM, don't play with him,  
his money make the dikes wanna lay with him  
Lyrical liquid paper spitting stones for cluckers wages  
Finally, on Decatur, serving jumbos just like a waiter  
C uhh, Murder and Silkk, they pay us for our trouble  
He maded that platinum go double  
That's why money talks

???

Chorus

Aiyyo, money talks like most bitches  
Sometimes I don't no what to do with these riches  
This paper, is just like my misses  
All day, fulfilling my wishes  
Did ya heard me
