Lil' nigga gotta chill 'cause he might get killed

[Chorus] 2x

[???

I'm on the block tryin ta make some change I'm tired of
being broke

So I'ma get my money right and smoke some weed
and coke

I couldn't concentrate in school with the problems I had
When my brother went to jail is when I took the wrong
path

That's when I had to step up and be the man ta make it
right

Eat and sleep all day and hustle, hustle all night
If anybody need me well they can catch me be on the
block

In all black with a glock and a mouth full of rocks
Muthafuckin cop straight fillin still totin glocks
I'm on the block posted up chillin by the barbershop
I told my nigga make the holla if them people pull up
So I can get the fuck 'cause I ain't tryin to get that dig
look

[???

I dig up in y'all like Min Yawl
Fuck around and get ya head cracked
Playing with this tru dawg so back up off me lil' daddy
Before ya piss me off
Carry max, gauges, choppers, and double barrel
sawed-off

We ain't come ta have stuff, we came ta bust heads
Burn houses to the pavement if we feel we gettin
played, now everyday

Hobbies is load and bust and knock a nigga leg off
If a bitch say somethin, now who be the rawest nigga
T-R-U the most dangerous

Just load'em up it ain't no thang ta us
We maxing up a coming ta get cha
Oh fake ass niggas gonna make us split cha
On the block with the rocks getting richa, the picture

[Chorus] 2x

[C-Murder]

Hum brah
