Well...
You...
Oh...
Yeah...
Mmm oh...

It's been a while
Since I ever loved some one like I do
With you
And I don't know what to do
It's like a dream
And I still can't believe what you done
What has love... become to me...

And now I see just what you mean to me
Something like before but now you're so much more
(Ooh ah) and everything seems to be happening
On it's own
And I have no control
And here I go (here I go) falling in love again (I fall in
love again)
And now I know (now I know) this love will never end
(this love will never
End)
And here I go (here I go) falling in love again (I fall in
love again)
And now I know (now I know) this love will never end
(this love will never
End)

Some people say that this is nothing new
But they don't know...
Never know...
About me and you (never know)
And if they did
They would never say again
Cuz it feels...
Unreal...
To explain (I don't need to say a thing)
And everyday makes a new memory
That I will hold and make will so much more
(Ooh ah) and every time I hold you next to me

It's just like we open another door

And here I go (here I go) falling in love again (I fall in love again)

Now I know (now I know) this love will never end... now I know this love will

Never end (this love will never end)

And here I go (here I go) falling in love again (I fall in love again) here I

Go

And now I know (now I know) this love will never end (this love will never

End)

And here I go (here I go) falling in love again (I fall in love again)

You know... you know...

And now I know (now I know) this love will never end (this love will never

End)

Now I know...

And here I go (here I go) falling in love again (I fall in love again)

And now I know (now I know) this love will never end (this love will never

End)

Where...

Where would I go
(If you're out of my life)

How...

How will I know
(If you'll be by my side tonight)

Cuz all our nothing in the end

I'll fall in love with you again

I'll fall in love with you...

I'll fall...

I'll fall in love with you again...

Hey...

Hey...

Hey...

Etc...

Baby,

It's been a long time (it's been a long time)

Since I've felt this way about someone

And I know I don't deserve you (I know)

But I'll promise I'll do anything for you

Because I'm falling for you (here I go) again

Here I go (here I go)

Falling in love again

Oh oh oh oh (I fall in love again)
And now I know (now I know)
This love will never end
Now I know, now I know
(this love will never end)
And here I go (here I go)
Falling in love again
(I fall in love again)
And now I know (now I know)
This love will never end
Now I now I now I now I know (this love will never end)
And here I go (here I go)
Falling in love again (I fall in love again)
(I'm fallin I'm fallin for you baby)
Now I know (now I know)
This love will never end (this love will never end)
(I need your love)
And here I go
(I need you... baby)
Falling in love again
(I fall in love again) I fall...
And now I know this love will never end (this love will
never end)
(you got what I want baby) and here I go (here I go)
(You got what I need sugar) falling in love again (I fall
in love again)
(Just let me love you down, just let me love you down)
And now I know this love will never end (this love will
never end)
(here I go) and here I go
Falling in love again (I fall in love again)
Oh... and now I know (now I know) this love will never
end (this love will
Never end)

Now I now I know
Here I go
Here I go
Hey...
You know
Now I know this love will never end
Baby
Here I go
Hey
You know
You know
Now I know
It's been a long time
I know
And here I go
Oh... oh... oh... Oh...

And now I know
Now I know
Now I
Now I
Now I
Now I
Know

I'm fallin for you baby
I need your love
