(Intro)

Hook:

You know I got my WatchCuff Blinging
You see I got my WatchCuff Blinging
You know I got my WatchCuff Blinging
You need to get your WatchCuff Blinging
You know I got my WatchCuff Blinging
You need to get your WatchCuff Blinging
You see I got my WatchCuff Blinging
You know I got my WatchCuff Blinging

Verse 1

All I'm gonna say is this
When I walk up in the club, paparazzi be snapping pics
They see the WatchCuff on the wrist
I'm A-listed in this
Getting more attention
Then the black cards get
My WatchCuff glow
Something like an lightshow
Something like an award show
Maybe a premiere show
Look I just got my WatchCuff glitted
I could have swore the other day
I seen Jay and Diddy in it.

(Hook 1X)

Verse 2

My WatchCuff Blining
Celly phone ringing
I'm a busy man mami, if you really want it then bring it
I got the maybach outside
Do you feel what I'm spitting?
I got the bezel on the sleeve
Don't you see how I'm living?
This is luxury baby
This is luxury baby
I got the who collection

I got a truck of it baby
The stripe one is crazy
You can try it on maybe
Red and the purple one
I been feeling them lately
Would you believe me If I have ones matching my
phantom too
Summertime come around I'm rocking the baby blue
Now I wanna see these shorties drop it on the floor
And everybody knows I get it before it pop up in the
store
And just in case they don't have the ones that match
I got my man's on the line to fly in a another batch
And it doesn't matter if it's Baguettes or the clear stone
My WatchCuff keep blinging even when the lights on.

(Hook 1X)

[Extended Hook]

Watch Out
When you see me roll up in the club
Watch Out
When you see me popping bottles of Bub
Watch out
When you see me pouring out that cris
Watch Out
When the WatchCuff is on my Wrist

Verse 3

I aint a role model
More of a spokes model
When I buy out the bar
I buy bottle by bottle
Now mami let em know if you wanna spend a night with
a rap star
Now mami let me know if you like my campaign so far
Movodo on the sleeve
Roli on the sleeve
I got something that shines you hide yours underneath
Now they watching everything that my left had do
If I pop a bottle of Chris the ---- on the news
And I aint gotta roll up the sleeves no more
Everyday I'm getting invited chicks in the collage
dorms
I'm star studded I don't open no doors
Now that's what happens where you wear clothes
That been in the Forbes.
