I sit and wait, does an angel contemplate my fate?  
And do they know the places where we go when we're  
grey and old?  
'Cause I've been told that salvation lets their wings  
unfold  
So when I'm lying in my bed, thoughts running through  
my head  
And I feel that love is dead, I'm loving angels instead

And through it all, she offers me protection  
A lot of love and affection, whether I'm right or wrong  
And down the waterfall, wherever it may take me  
I know that life won't break me when I come to call  
She won't forsake me, I'm loving angels instead

When I'm feeling weak and my pain walks down a one  
way street  
I look above and I know I'll always be blessed with love  
And as the feeling grows, she brings flesh to my bones  
And when love is dead, I'm loving angels instead

And through it all, she offers me protection  
A lot of love and affection, whether I'm right or wrong  
And down the waterfall, wherever it may take me  
I know that life won't break me when I come to call  
She won't forsake me, I'm loving angels instead

And through it all, she offers me protection  
A lot of love and affection, whether I'm right or wrong  
And down the waterfall, wherever it may take me  
I know that life won't break me, when I come to call  
She won't forsake me, I'm loving angels instead
