You don't know how you met me
You don't know why
You can't turn around and say good bye
All you know is when I'm with you
I make you free
And swim through your veins
Like a fish in the sea

I'm singing
Follow me and everything is alright
I'll be the one to tuck you in at night
And if you want to leave I can guarantee
You won't find nobody else like me

I'm not worried about the ring you wear
Cause as long as no one knows
That nobody can care
You're feeling guilty
And I am well aware
But you don't look ashamed
And baby I'm not scared

I'm singing
Follow me and everything is alright
I'll be the one to tuck you in at night
And if you want to leave I can guarantee

You won't find nobody else like me

Won't give you money
I can't give you the sky
You're better off if you don't ask why
I'm not the reason that you going strange
We'll be alright if you don't ask me to stay

I'll be the one to tuck you in at night
And if you want to leave I can guarantee
You won't find nobody else like me

You don't know how you met me
You don't know why
You can't turn around and say good bye

All you know is when I'm with you
I make you free
And swim through your veins
Like a fish in the sea

(3x)
I'm singing
Follow me and everything is alright
I'll be the one to tuck you in at night
And if you want to leave I can guarantee
You won't find nobody else like me
