Hey, I'm in love
My fingers keep on clicking to the beating of my heart
Hey, I can't stop my feet
Ebony and ivory and dancing in the street
Hey, it's because of you
The world is in a crazy hazy hue

My heart is beating like a jungle drum
My heart is beating like a jungle drum
My heart is beating like a jungle drum

Man, you got me burning
I'm the moment between the striking and the fire
Hey, read my lips
'Cause all they say is kiss, kiss, kiss, kiss, kiss
No, it will never stop
My hands are in the air, yes, I'm in love

My heart is beating like a jungle drum
My heart is beating like a jungle drum
My heart is beating like a jungle drum
My heart is beating like a jungle drum

aaaaaaaaaaaa

My heart is beating like a jungle drum
My heart is beating like a jungle drum
My heart is beating like a jungle drum
My heart is beating like a jungle drum
