I wanna make love in this club  
In this club - In this club  
I wanna make love in this club

You say you searching for somebody  
That'll take you out and do you right (Do you right, do  
you right)  
Well come here baby and let daddy show  
You what it feel like (Feel like, feel like)  
You know all you gotta do is tell me  
What you sippin' on (Sippin on, sippin on)  
And I promise that I'm gonna keep it comin' all night  
long  
(All night, all night long)

Lookin' in your eyes while you on the other side  
And I miss shorty I've got a thing for you  
Doin' it on purpose windin and workin' it  
I can tell by the way you lookin' at me girl

I wanna make love in this club  
In this club - In this club - In this club (3x)

(Listen) got some friends rollin' with you baby then  
that's cool  
(That's cool, that's cool)  
You can leave em wit my buddies let em know that I got  
you  
(Got you, got you)  
If you didn't know you're the only thing that's on my  
mind  
(My mind, my mind)  
Cuz the way you staring miss you got me wantin'  
To give it to you all night (All night, all night)

Lookin' in your eyes While you on the other side  
I can't take it no more Baby I'm comin for you  
You keep doin' it on purpose windin and workin' it  
If we close our eyes it could be just me and you

I wanna make love in this club  
In this club - In this club (x3)

Might as well give me a kiss If we keep touchin' like this  
I know you scared baby they don't know what we doin  
Let's both get undressed right here keep it up girl and I  
swear  
Imma give it to you non stop - And I don't care  
Who's watchin, who's watchin, who's watchin  
Who's watchin, who's watchin, who's watchin  
I wanna make love...
