I remember April
When the sun was in the sky
Love was burning in your eyes

Nothing in the world
Could bother me
Cause I was living
In a world of ecstasy

But now you're gone

[CHORUS]
I'm just a daydreamer
Walking in the rain
Chasing after rainbows
I may never find again
Life is much too beautiful
To live it all alone
Knowing that you need someone
To be your very own

Ain't that a shame
Ain't that a shame
Ain't that a shame
Ain't that a dirty shame

Now the summer's over
And I found myself alone
With only memories of you

I was so in love
I couldn't see
That I was living in
A world of make believe

But now you're gone

[Repeat CHORUS]

Ain't that a shame
Ain't that a shame
Ain't that a shame

You know it's a dirty shame

[Repeat CHORUS 2x to fade]
