I don't know how to live without you
I don't know hoW to breath in life

Tell myself I'd stop everyday knowing that I won't
because of you, because of you
It's the truth

I don't know how to sleep without you
I don't know how to fix my heart

Tell myself I'd stop everyday knowing that I won't
even if I did I don't know, If I'd try

Do I wanna believe you think the same
I am missing you
And I want you believe same love as me
I am missing you
You've given me your one last ADIOS, but
why do I still wanna believe
I don't know I'm missing you in good time,
don't say good bye

I don't know how to smile without you
I don't know how to wait for you

Tell myself I'd stop everyday knowing that I won't
Even if all the things were true, If I'd try

Do I wanna believe you think the same
I am missing you
And I want you believe same love as me
I am missing you
You've given me your one last ADIOS, but
why do I still wannaa believe
I don't know I'm missing you in good time,
don't say good bye

I don't wanna say good bye
I don't wanna say good bye
I don't wanna tell a lie for love I'll be your love
And I want you to come and give me your love
I'm missing you

You've given me your one last ADIOS, but
now I believe your true mind

Now I know
I'm missing you whole time,
Don't say good bye.
