I am doing my own little thing. Hey, leave alone.
Yes, you can be mad at me tonight, tonight.
I am doing my own little thing. Hey, leave alone.
If you don't, you'll be alone tonight, tonight.

Oh, bye bye girl
No more I am sorry, I love you
Oh, bye bye girl
Yes, I can not believe it, no more.
Oh, bye bye girl
Hey, say it with your actions tonight.
Doesn't mean anything.

Good by my love, Good bye my love.
No more still in love with you.
I'm movin'.
Good by my love, Good bye my love.
It is my time to find the best of me.
Good bye girl.

Yes, there is nobody who can make me cry. oh no.
Can't be the time to plead. I can't believe it. oh.
Yes, there is nobody who can make me cry. oh no.
It is my time to find the best of me.
Good bye girl.

Take the hit and walk away. Hey baby, leave alone.
Yes, you can be mad at me tonight, tonight.
What you did is hurting you. Hey baby, leave alone.
If you don't, you'll be alone tonight, tonight.

Oh, bye bye girl
No more I am sorry, I love you
Oh, bye bye girl
Yes, I can not believe it, no more.
Oh, bye bye girl
Hey, say it with your actions tonight.
Doesn't mean anything.

Good by my love, Good bye my love.
No more still in love with you.

I'm movin'.
Good by my love, Good bye my love.
It is my time to find the best of me.
Good bye girl.

Yes, there is nobody who can make me cry. oh no.
Can't be the time to plead. I can't believe it. oh.
Yes, there is nobody who can make me cry. oh no.
It is my time to find the best of me.
Good bye girl.

I can't believe it. No more in love with you, still.
I can't believe it. Good bye my love, my love love love.

Good by my love, Good bye my love.
No more still in love with you.
I'm movin'.
Good by my love, Good bye my love.
It is my time to find the best of me.
Good bye girl.

Yes, there is nobody who can make me cry. oh no.
Can't be the time to plead. I can't believe it. oh.
Yes, there is nobody who can make me cry. oh no.
It is my time to find the best of me.
Good bye girl.
