No one ever sees, no one feels the pain
Teardrops in the rain

I wish upon a star, I wonder where you are
I wish you're coming back to me again
And everything's the same like it used to be

I see the days go by and still I wonder why
I wonder why it has to be this way
Why can't I have you here just like it used to be

I don't know which way to choose
How can I find a way to go on ?
I don't know if I can go on without you oh

Even if my heart's still beating just for you
I really know you are not feeling like I do
And even if the sun is shining over me
How come I still freeze ?
No one ever sees, no one feels the pain
I shed teardrops in the rain

I wish that I could fly, I wonder what you say
I wish you're flying back to me again
Hope everything's the same like it used to be

I don't know which way to choose
How can I find a way to go on
I don't know if I can go on without you, without you

Even if my heart's still beating just for you
I really know you are not feeling like I do
And even if the sun is shining over me
How come I still freeze ?
No one ever sees, no one feels the pain
I shed teardrops in the rain

Oh... I shed teardrops in the rain
Oh... Hey... Teardrops in the rain

Even if my heart's still beating just for you

I really know you are not feeling like I do
And even if the sun is shining over me
How come I still freeze ?
No one ever sees (no one) no one feels the pain (no
one)
I shed teardrops in the rain
Teardrops in the rain
Teardrops in the rain
Teardrops in the rain...
