No one ever sees, no one feels the pain  
Teadrops in the rain

I wish upon a star, I wonder where you are  
I wish you're coming back to me again  
And everything's the same like it used to be

I see the days go by and still I wonder why  
I wonder why it has to be this way  
Why can't I have you here just like it used to be

I don't know which way to choose  
How can I find a way to go on?  
I don't know if I can go on without you oh

Even if my heart's still beating just for you  
I really know you are not feeling like I do  
And even if the sun is shining over me  
How come I still freeze?  
No one ever sees, no one feels the pain  
I she'd teardrops in the rain

I wish that I could fly, I wonder what you say  
I wish you're flying back to me again  
Hope everything's the same like it used to be

I don't know which way to choose  
How can I find a way to go on  
I don't know if I can go on without you, without you

Even if my heart's still beating just for you  
I really know you are not feeling like I do  
And even if the sun is shining over me  
How come I still freeze?  
No one ever sees, no one feels the pain  
I she'd teardrops in the rain

Oh... I she'd teardrops in the rain  
Oh... Hey... Teardrops in the rain

Even if my heart's still beating just for you  
I really know you are not feeling like I do

And even if the sun is shining over me  
How come I still freeze?  
No one ever sees (no one) no one feels the pain (no  
one)  
I she'd teardrops in the rain  
Teardrops in the rain  
Teardrops in the rain  
Teardrops in the rain...
