Let's make a run  
From all we know  
We'll find a way and get back stronger again  
Too many times  
I've wondered why  
I feel ashamed only to be around

I'm living a lie,  
But trying to find a way  
Out of this

I wanna feel. I wanna bleed  
I wanna live like there's no tomorrow  
I wanna scream out in the night  
I wanna make love like there's no tomorrow  
I wanna be like you

Let's run away into the dark  
We'll find a light  
And get back stronger again  
I'll get around I'll come around  
I'll stay awake  
Cause I am dying for more

Been living a lie more than a lifetime  
Now I see

I wanna feel. I wanna bleed  
I wanna live like there's no tomorrow  
I wanna scream out in the night  
I wanna make love like there's no tomorrow

I wanna be like you  
I wanna be like you  
I wanna be like you  
I wanna be like you  
I wanna be like you

I wanna feel. I wanna bleed  
I wanna live like there's no tomorrow  
I wanna scream out in the night  
I wanna make love like there's no tomorrow

I wanna feel. I wanna bleed  
I wanna live like there's no tomorrow  
I wanna scream out in the night  
I wanna make love like there's no tomorrow

I wanna be like you
