Judy was a friend indeed
Judy was a friend in need
Young and pretty and full of life
Any man would make her his wife
Little Judy, hooked on drugs
Hooked on coke, and went for broke
Girlfriend, stop the madness
I say
There's more to life, there's a better way
Sex

I tried so hard, to make her stop
But this was a hand, she could'nt drop

Judy was a friend indeed
That lost herself, now she's a fade
Lie, steal, whatever
She do what it takes
She'd never say never
She was a friend
Though I know her no longer
She was so free, but now
Her glow almost?
Sex, sex, sex, sex

Sex
Sex
Coke
Sex
Coke
Sex

She do what it takes
Sex, coke
She do what it takes
Sex, coke
She do what it takes
Sex, coke
She do what it takes
Sex, whatever

Sex
