(you light up another cigarette, pour the wine,  
its 4 o'clock in the morning and its starting to get light,  
now im right where i wanna be, loosing track of time,  
but i wish that is was still last night...)

Ok, look i was wide awake, sittin up, i had my back to  
the headboard  
i was smokin a little cigarette to relax myself my head  
felt dead sore,  
i was in embassy, backing up blue alize, energised off  
red bull,  
i was watching this little choong ting,  
she said hi her names tiffany from bethnal green,  
hi im ash from kensal green, actually from kensal rise  
to be precise she looked me up and down and said  
"your see through nike are well cool"  
she introduced me to her friend dawn,  
i introduced her to my friend shawn  
my game was on point like a pencil  
then we started to then talk,  
and she was like tellin me, she w....

shit..  
hold on what was she tellin me then?  
noo..  
how can i not recollect man?  
aawh i musta been outa my mind i swear,  
i was Smashed!  
nah man... what she tellin me?  
nah, nah man....

OH ok now i remember, she was tellin me she was  
going to bristol to go to uni in september,  
all i remember was not caring, just staring,  
at her exposed cleavage and thinking of getting her  
back to the yard and taking off what she was wearing..  
22s one yout start swearin'  
Then one of dem south youts bottled him... kicked him  
up on the floor  
Then after that..  
Yeh the ravers just aired him  
Promoter locked it

Girls grabbed their coats  
Phoned them when we got outside  
Asked them what were darin'  
This is the 207... followed them back to thiers n'...

I was like "kool but oioi 'cause man...  
Ya gotta drive man...  
I'm fuck...  
Was all like...  
Must of dropped me off innit  
Gone to his tingz yard  
I was lipsin my ones neck in her yard like...  
Took off the La Senza  
Put on a conny and just beat it...

And then I started sleepin  
Would you believe it started dreamin  
Thinkin that Rave was so tough  
And dis girl right here is so buff!  
But her yard is frass!  
Haha... Shes a sexy broke slut  
And then I thought Hold upp  
This ain't your bed...  
Then I woke up!  
And then I thought Oh fuck!  
Arrghh Ashley your so fucked!  
If you go home try sneak in the bed I swear your wife is  
gonna go nuts  
You WASTEMAN!  
Come on last night why was you so drunk!  
It's got to 4 in the morning n' it's startin to get light  
outside you donut!  
I was soo hungover then I sat up n now I got this bitch  
on my shoulder  
I don't even smoke, grabbed a ciggerette slapped  
myself in the face got sober  
I'm gonna wait 5 minutes  
Pick my clothes up  
Dress myself then phone up my bredrin nd say  
"Yo blud I beg u come get me I need to go home blud"
