Don't ya know...

Yo Bashy, and i move like bore, shank, wet WHAT if it's not that your gettin nicked with my korsh?, if you ever try getting next to my dosh or if you ever try get next to my porsche your heads coming off, you lil tart take off your bra, are you sexin or what? I'm gunna ram your neck on my cock and then your gonna fuck my bredrin or what? its a laugh, its a laugh until you get shot or your gettin birded? in the dark cuz they caught you with rocks in your sock and when you come out you can't get a job. These little nobs don't understand fully, they just care about babes and hoodies, they're on a hype till they end up like trife at the end of kidulthood.

gotta go from kidulthood to adulthood (i know) now i must act like an adult would react like an adult should(i know), i gotta break the cycle cos if i go peng and end up dead its my fault.

gotta go from kidulthood to adulthood (i know) now i must act like an adult would react like an adult should (i know), i gotta break the cycle cos if i go peng and end up dead its my fault.

And i move like bottle, pole, bar CRACK fuck about, hit you with a bat like sam, kick it, hit you with a brick like plan. five-0 came everybody better scram i love raving when it gets ram. let

somebody think he's a badman, i'll boy him off in front  
of the gal,  
let that man know who's wicked and bad, but that breh  
might  
wanna come back might wanna kick it off the next day  
cos he's got  
revenge in his heart like Jay so when he see's me he's  
gunna get  
moody and try do me, really we should more like  
moony and go  
uni, react just like an should, break the cycle like sam  
from  
adulthood.

And i move like pirates, raves, mixtape album, done  
with the  
clashing i've seen the outcome. nuff badman i won't be  
around  
dem nuff MC's in the scene that could out them but  
allow them cos  
it's not about them, the roads are nuts like almonds.  
I'm a  
musician and i use position to influence thousands,  
look, i said I'm  
not on a hype cos I'm far from a kidulthood, I'm much  
wiser, blud,  
I'm older, I've grown up so now I've gotta act like a  
grown up, i  
used to be wild i was acting raggo on the defensive  
acting paro but  
now I'm on the straight and narrow, cuzzy I've gone  
from a kid to  
an adult.

gotta go from kidulthood to adulthood (i know) now i
