If your on the grind then put a bill in the air!

I'm on my grind ima grizzly bear  
No sleepin... I'm wide awake  
Don't give a shit, I'll sleep on them beds  
But now I'm counting Elizabeth heads  
In the future it will be Williams head.

Yo! Lifestyles of the rich and famous  
Some die with their names... some die nameless  
Some die?... some die poor  
Block with no papers Not me?  
So don't chase the money  
In fact now... ima keep chasing  
Ima keep grinding... Ima keep saving  
Making till I made it... No wasting  
Not even when a make it keep hustling  
And I might spend a bit when I'm out raving  
Make money make money make money  
Then put some away for a rainy day sonny  
Don't waste it on a hussy buddy  
Coz then a rich man poor, broke get money  
Nah get cash that's high like a mountain  
What? No wasting just counting...
