No babe, don't you dare, no boy

O.k. listen

It's like no didi didi didi no you didn't

In control baby no you isn't

Yo H, I think I like that I'ma do that one again you know

It's like no didi didi didi no you didn't

In control baby no you isn't, listen yo yo

Because we got the energy, the energy turns into chemistry

The chemistry turns into texting me

Ping ping ping ping ping bury me

Girls leave me they need therapy

Why? Because I got the recipe, peas

And I got the remedy, Hennessy open sesame

You wrap me in a bubble

Please don't get me into trouble

I'm really trying not to be bad

And now I'm kinda feeling choked

But this stress is not a joke

Now you've got me in the palm of your hand

Your wish is my command boy

Oh is it L O L you wanna grow wishes oh yeah

Your wish is my command boy

Oh is it L O L you wanna grow wishes yeah

I'll see you in a minute

Uh o.k uh

Forget English or Spanish

I speak body language

Earthlings I'm on another planet

Damn it, my swagger's a habit

I can do magic

Don't need pulling out a rabbit

One glance, got you in a trance, girls vanish

Massive, madness, the name's Bash but call me

Aladdin

You wrap me in a bubble
Please don't get me into trouble
I'm really trying not to be bad
And now I'm kinda feeling choked
But this stress is not a joke
Now you've got me in the palm of your hand

You wrap me in a bubble
Please don't get me into trouble
I'm really trying not to be bad
And now I'm kinda feeling choked
But this stress is not a joke
Now you've got me in the palm of your hand

Your wish is my command boy

Oh is it L O L you wanna grow wishes oh yeah

Your wish is my command boy

Oh is it L O L you wanna grow wishes yeah

Don't you dare, no boy

Look, you'll do what I say oh is it
I can start rubbing and you'll grant wishes
O.k. well you know where the crib is
Why not give me a visit
But you know those seconds will turn into minutes
And those minutes will turn into visits
And those visits will turn into well that's nobody's
business

You wrap me in a bubble
Please don't get me into trouble
I'm really trying not to be bad
And now I'm kinda feeling choked
But this stress is not a joke
Now you've got me in the palm of your hand

You wrap me in a bubble
Please don't get me into trouble
I'm really trying not to be bad
And now I'm kinda feeling choked
But this stress is not a joke
Now you've got me in the palm of your hand

Your wish is my command boy oh yeah

Your wish is my command boy don't you dare

I'll see you in a minute
