## [Hook Misty:]

There's so fight, you can't fight this battle of love with me, you win again so little time we do nothing but compete
There's no life on earth no other could see me through, you win again some never try but if anybody can we can

C-Block in the house for the Bee Gees

## [Rap1a Red Dogg:]

Yeah, we representin with this Bee Gee's thang, CBK is what I'm screaming that's the click I claim I keeps my head up game tight errect be my spine I manage to stay real because my heart controls my mind

plus my God given gift is interwined with my soul I set it down with my brain n left if ferment like pruno now you know I like to shake the spot like that comin' thru, stayin true because we hop like that

#### [Rap 1b Goldie:]

A true dat I'm wit dat and thats a fact CBK on dis track and you know we comin' phat

If you didn't know now you know Goldie flow peep the style for a while so you can feel the ruck us Red Dogg, Misty with me you know you can't stop us blowin leaves of da trees with the keys from the Bee Gee's

Toneway's got our back so we don't have a need so check the flow and feel the breeze

#### [Hook]

### [Rap 2a Red Dogg:]

I'm holding everything down blessed by the man tryin to maintain sight n keep the upper hand in this dirty game

whwre nothing ever seem to change, bustas acting kinda shady

like they minds rearrenged

tell me what's the quickest way you could loose your fame

turn your back and walk away from the click you claim and as the clock continues to turn you let the bridges burn

you wasn't worthy of the love that we CBK earned

[Rap 2b Goldie:]
Jealousy and envy it is the public enemy
I try to always love becuz it's in me
a lot of MC's produce key's of negetivity
but I'm stay real so you can feel my positivity
love their neighbour show respect till the end
everyone you meet you can't truss the like they can
look to the hills from whence cometh' all
live, pray and prosper or fall

[Hook 'til end]
