Trying to catch your heart is like trying to catch your  
heart is like

Trying to catch your heart is like trying to catch your  
heart is like

Trying to catch your heart is like trying to catch your  
heart is like

Trying to catch your heart is like trying to catch your  
heart is like

Waiting for a star to fall and carry your heart

Waiting for a star to fall and carry your heart

Waiting for a star to fall and carry your heart

Waiting for a star to fall and carry your heart

Waiting for a star to fall and carry your heart into my  
arms

That's where you belong, in my arms baby, yeah

Waiting for a star to fall and carry your heart

Waiting for a star to fall and carry your heart

Waiting for a star to fall and carry your heart into my  
arms

That's where you belong, in my heart into my arms

That's where you belong, in my arms baby, yeah

And carry your heart into my arms

That's where you belong, in my heart into my arms

That's where you belong in my arms baby, yeah

Waiting for a star to fall and carry your heart

Waiting for a star to fall and carry your heart

Waiting for a star to fall and carry your heart

Waiting for a star to fall and carry your heart

Waiting for a star to fall and carry your heart

Waiting for a star to fall and carry your heart

Waiting for a star to fall and carry your heart

Waiting for a star to fall and carry your heart into my  
arms

That's where you belong in my arms baby, yeah
