BLAME IT ON THE SUMMER  
Basia - "It's That Girl Again" (2009)

Day by day and night by night  
Love's a dream heaven sent  
I am yours and you're mine  
What more can I pray for  
But every minute, every hour  
I play a waiting game  
'Cause once again the spring is all around

I know so well your smiling face  
That greets me every day  
You stand by me I stand by you  
All's good and well, so  
Day by day and night by night  
I play a waiting game  
'Cause my world will soon be turning upside down  
In summer

CHORUS:  
Blame it on the summer  
I can't help how summer makes me feel  
Blame it on the summer  
I don't care if what I feel is real  
Blame it on the summer  
I can't explain what summer makes me do  
I want to break away and fly away  
'Cause summer makes me run away from you

Years go by a playful time  
Resign come what may  
You keep on loving me  
And I still keep on wishing  
'Cause every hour here in silence  
The game remains the same  
And the summer makes my world turn upside down  
Oh, summer

CHORUS

I want to break away and fly away

Summer makes me run away  
Summer makes me run away  
Summer makes me run away  
Summer makes me run away from you

#### CHORUS

Blame it on the summer  
Blame it on the summer  
Blame it on the summer  
Blame it on the summer  
Blame it on the summer  
I want to break away and fly away  
Blame it on the summer  
'Cause summer makes me run away from you  
Blame it on the summer  
From you
