Cry, come to me and cry
I know, I know, I know it's not easy
Your heart is aching
But so is mine, so is mine

How can I tell you why?
For so long, so long, so long
I've been thinking, now I know
I can't live a lie, can't live a lie

They say true love lasts forever
If we want it there will be waiting

A second chance, baby, but now we need time
Time to learn, time to understand
Where we went wrong 'cause I feel so strong
We are cruising for bruising, my baby

A second chance, baby, but now we need time
Time to learn, time to understand
Where we went wrong 'cause I feel so strong
We are cruising for bruising

Go, I must let you go
Don't stop, don't stop
'Cause it's better now when I still love you
Don't say goodbye, don't say goodbye

They say true love lasts forever
If we want it there will be waiting

A second chance, baby, but now we need time
Time to learn, time to understand
Where we went wrong 'cause I feel so strong
We are cruising for bruising, my baby

A second chance, baby, but now we need time
Time to learn, time to understand
Where we went wrong 'cause I feel so strong
We are cruising for bruising

So long, so long, so long

I've been away
Away for now, don't let it die
'Cause we can try some other time

So bye for now, don't let it die
'Cause we can try some other time
So bye for now, don't let it die
'Cause we can try some other time

So bye for now, don't let it die
'Cause we can try some other time
