Freeze---thaw  
Slow but sure

It breaks my heart

Either---or  
Make up your mind  
I'm hanging on

If I counted all the times  
You are as sure as me  
I'd give you up for someone else  
Whose heart was free

When you change your tune  
With every mood  
What am I to do with you

Freeze---thaw

Freeze and thaw  
Don't love and ignore me

Come and go  
When you want

I never know  
I open up  
You close me down  
We're out of time

When you show the other side  
It warms the heart of me  
But there again  
It's not enough  
To keep my love

When you change your tune  
With every mood  
What am I to do with you

Freeze---thaw

Freeze and thaw  
Don't love and ignore me

Freeze---thaw  
Slow but sure

It breaks my heart

Either---or  
Make up your mind  
I'm hanging on

When you change your tune  
With every mood  
What am I to do with you
