(Basia Trzetrzelewska & Danny White)

I'm not an angel
You know me better
Not an angel
You rule my world, you rule my world
Now take me to heaven
Forgive my open talk
But our love is not taboo
It was a dream before
With you I feel the Earth move
Take me high, make me smile

Get to know my other side
I kept the best for you
Teach me now, show me how
Baby you might be surprised
I'll be good to you
I'm grown up I'm not shy
I have waited long enough
For someone like you
It's not a crime, it's alright
Come and try
I saved it all for you
