You don't have to be so strong
Don't move mountains for me
Don't slay a dragon
Everytime you run back here
You are more than a knight in shining armor
Who would need a prince?
Anyway, I don't believe in fairy tales

Let's leave them for the dreamers
There is something much more real I'm after

Simple pleasures, bliss I finally found
In ordinary home-made treasures
On familiar ground
When I'm with you, the time's so precious
Hours flying past
We have to take some long-term measures
So simple joy is here to last

Don't go yet
I'll be missing your smile
Your gentle voice, so soothing
Every night and day
I will long for the warmth of your embrace
So who would need a prince?
Anyway, I don't believe in fairy tales

Let's leave them for the dreamers
There is something much more real I'm after

Simple pleasures, bliss I finally found
In ordinary home-made treasures
On familiar ground
When I'm with you the time's so precious
Hours flying past
We have to take some long-term measures
So simple joy is here to last

There is something much more real I'm after

Simple pleasures, bliss I finally found
In ordinary home-made treasures

On familiar ground
When I'm with you the time's so precious
Hours flying past
We have to take some long-term measures
So simple joy is here

Simple pleasures, bliss I finally found
In ordinary home-made treasures
On familiar ground
When I'm with you the time's so precious
Hours flying past
We have to take some long-term measures
Simple joy is here to last
Here to last
