Time and Time

by Basia

It's hard for me to stop my heart

love never knows

when the time is right

I don't want to hurt

anybody but

can't help loving you

I never felt like this before

I know this is passion

worth waiting for

let love take take its course

that's the only thing

for us to do

We got time, oh baby,

there's no rush

gonna be a better

day for us

hang on

and I will

wait for you

our love will always stay as good as new

Time and tide

nothing and no one

can stop us now

for better for worse

this time I'm sure

it's gonna last

How can I stop my heart?

Love never knows

when the time is right

don't want to hurt

anybody

don't want to make them cry

don't want to make them cry

We've got time, oh baby

there's no rush

gonna be a better

day for us

hang on

and I will wait for you

Our love will always stay as good as...

new

It's a matter of time

only a matter of...

Time and tide

nothing and no one
can stop us now
for better for worse
this time I'm sure
it's gonna last
gonna last forever
We got time, oh baby
there's no rush
gonna be a better
day for us
hang on
and I will wait for you
