Seeking, hoping, trying to be who You want
Fearful, thankful, able to see a difference
Change my name
Change my name
I left myself, and You remain
Change my name
(come and take away my breath)
Break it, burn it, i know that You've always hated it
It's hard to say it, but i love You more than all of this
I love you more than this
Change my name
Change my name
I left myself and You remain
Change my name
Change my name
When it's all lost, i find a freedom
When it's all gone, i find a light
So give me a name and i'm Yours forever
Oh, give me a name, and i'm Yours
I'm Yours
Change my name
Change my name
I left myself, i'm not the same
I left myself, in yesterday
I left myself, and You remain
Change my name
Change my name
