Not a question left to ask.  
Yesterday's a distant past.  
Now my heart is open wide  
And everyone can see inside.  
I've come alive.  
It's a dream beyond my mind.  
Where rivers sing and shadows shine.  
Glory falls upon a throne.  
It's beauty I have never known.  
I've come alive.  
I was wrong about you.  
I was wrong about you.  
It's a miracle I'm here.  
I've come alive.  
I've come alive.  
I've come alive.  
Where the hearts are all mended.  
And every hope has found it's end.  
I've come alive.  
I was wrong about you  
I was wrong about you  
It's a miracle I'm here.  
I was wrong to doubt you.  
I was wrong to doubt you.  
Oh, it's a miracle im here.  
Where the dreams are dreaming.  
I've come alive.  
Where the air is breathing.  
I've come alive.  
I've come alive.  
I've come alive.  
Where the dreams are dreaming.  
I've come alive.  
Oh, and where the air is breathing.  
I've come alive.  
I've come alive.  
I've come alive.
