You're a high tide.
You keep carrying me away.
Leave the sand behind,
And I won't resist.

Yeah, and all this time,
You've never lost it.
And nor will I.

If I tried to hide it from you,
My heart would tell the truth.
I want You, I know You want me too.

You're a midnight.
Balancing yesterday and tomorrow.
The world's outside,
But there's no loneliness.
I don't feel lonely here.

And all this time,
You've never lost it.
And nor will I.

If I tried to hide it from you,
My heart would tell the truth.
I want You, I know You want me too.
I know You want me too.

Hey, Yeah!

If I tried to hide it from you.
If I tried to keep it from you.
Your love would break through the foolishness.
And it would grant my wish for happiness
If I stood in your arms. (in your arms)

Hey, Yeah!

If I tried to hide it from you, from you.

Hey, Yeah!
